College

Have a plan

Unavailability of purified water.... Classrooms are so dirty.... Mosquitoes allover in campus.... No one checks your id when you enter in college... Their must be someone who check where the students coming in college are of this college or just outsider's... Proper cleaning of the whole college must be in mind... These things can change our vrg college... Of course washrooms are so dirty and even they have only one gate and they smell so bad... I don't think so that they wash or clean washrooms every day... If we see this problem in hygienic way then washrooms must be clean after 2-3 hours or 3-4 hours....And some washrooms are kept closed with lock 🗝️ Facilities for sanitary pads for girls is not there...

Good performance in school
